Brightpath Solutions Onboarding Guide

NEW HIRE ONBOARDING GUIDE

This guide helps new Brightpath Solutions employees through their first 30 days. Owner: People Operations.

Before Day One

1. Sign your employment contract and return it via the HR portal.

2. Complete the background check form.

3. IT ships your laptop to arrive at least 2 business days before your start date.

Week One

1. Attend the company orientation session on Monday at 09:30.

2. Set up multi-factor authentication and the company VPN with the IT Service Desk.

3. Meet your onboarding buddy, who is assigned by your manager.

4. Complete mandatory Information Security training within 5 business days.

First 30 Days

1. Agree on 30-60-90 day goals with your manager by the end of week two.

2. Complete Code of Conduct training within 30 days.

3. Schedule a 30-day check-in with People Operations.
